Chairman of the Board:

## To Our Shareowners

December 10, 1965

It is a pleasure to report that the year ended September 30th was one of continued growth. Sales were \$432,510,980 compared with \$391,325,977, an increase of 10.5%. Net earnings amounted to \$8,015,007 or \$2.59 per share compared with \$7,127,199 or \$2.31 per share, an increase of 12.5%. At its last meeting your Board of Directors increased the quarterly dividend rate from 30¢ to 32½¢ a share beginning with the December payment.

This year our consolidated statement includes our real estate subsidiaries. Previously the net book value of these properties was included with "Investments in affiliated and other companies" with the accounts of these subsidiaries shown in the notes to Consolidated Financial Statements. Additional long term financing was arranged during the year to provide funds for expansion opportunities that would require funds in excess of those from retained earnings.

During fiscal 1965 we opened 32 new Walgreen drug stores (7 of which replaced previous smaller units) and 3 Globe self service department stores. We closed 19 stores. On September 30th we were operating 479 drug stores, 8 Globe self service department stores, and 6 Danburg junior department stores. Our expansion program was much larger than the previous year—although again, delays in the development of some shopping centers prevented us from opening as many units as we had planned. We anticipate an even larger store opening program for the current year.

We deeply regret the loss of Mr. R. G. Knight who recently passed on—a director of our company since 1930.

We wish to express our sincere appreciation to all the folks throughout our organization for their fine cooperation and their splendid efforts that helped to make this past year an outstanding one. Our new fiscal year is off to a good start and with the continuance of present economic conditions, we look forward to increased sales and earnings.

## Notes to Consolidated Financial Statements

**1. PRINCIPLES OF CONSOLIDATION:** The consolidated statements include the accounts of the company and all subsidiaries including Walgreen Properties, Inc., which in prior years had been included in the balance sheet caption "Investments in Affiliated and Other Companies" at underlying book value. The 1964 amounts have been restated to reflect this change in principles of consolidation.

**2. LONG-TERM DEBT:** On August 16, 1965, the company entered into a new loan agreement replacing its previous loan agreement. Under the terms of the new agreement the company borrowed \$17,500,000 at 4¾% interest repayable in annual principal installments of \$875,000 through 1974 and \$9,625,000 in 1975. Under the terms of this agreement, (a) \$22,114,660 of consolidated retained earnings at September 30, 1965, is not available for payment of cash dividends, or for repurchase of the company's stock, and (b) consolidated net current assets must be at least \$25,000,000. Consolidated net current assets, as defined, are \$55,908,286 at September 30, 1965.

At September 30, 1965, the company had mort-

gages payable on certain store and warehouse properties at interest rates ranging from 4¾% to 5½%. These mortgages provide for monthly payments of principal and interest and become fully paid during the years 1982 to 1989. The annual payments for each of the next five years amount to \$514,484.

**3. STOCK OPTIONS:** In 1957, the shareowners approved a restricted stock option plan for key employees, including officers. At September 30, 1965, 9,580 shares are reserved for options which have been granted at prices ranging from \$11.99 to \$25.50. These options are exercisable beginning one year from the date of grant over a period not exceeding five years and in reduced amounts thereafter through 1967. During 1965, 1,807 shares became exercisable and 7,094 shares were exercised.

**4. LEASE OBLIGATIONS:** At September 30, 1965, the company and its subsidiaries had 422 leases expiring more than 3 years after that date (some of which contain percentage rental clauses) with minimum annual rentals of approximately \$9,069,000.

## Accountants' Opinion

ARTHUR ANDERSEN & CO.

CHICAGO, ILLINOIS

To the Board of Directors and  
Shareowners, WALGREEN CO.:

We have examined the consolidated balance sheet of WALGREEN CO. (an Illinois corporation) AND SUBSIDIARIES as of September 30, 1965, and the related statements of consolidated earnings, retained earnings and source and application of funds for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying consolidated balance sheet and statements of consolidated earnings, retained earnings and source and application of funds present fairly the financial position of Walgreen Co. and Subsidiaries as of September 30, 1965, and the results of their operations and the sources and application of funds for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

... A SOLID BASIS FOR  
GROWING PROFITABILITY**

Our constant opening of new, larger stores creates expansion statistics that translate rapidly into volume and profit growth. A 5-year recap (see graph) shows an increase in total store sales area of more than 1,238,000 square feet. At year-end we were operating 493 stores, of which 267, or 52%, were opened or underwent major modernization within the past 5 years. Our competitive condition is sound—we are newer, larger, stronger.

## EXPANSION GAINS MOMENTUM AS YOUNG GLOBE DIVISION GOES WEST IN '65

"*Selective expansion*" was an objective when your company acquired the Globe Discount Department Stores in mid-1962. Last year we added Globes #4 and #5. This year the count reached eight, with openings in 1965 of two 100,000 sq. ft. units in Phoenix, Ariz., and a third in Albuquerque, N.M. *Outlook for 1966:* Three more giant Globes—El Paso, Tex., scheduled for pre-Christmas opening; Tucson, Ariz., Spring, 1966; Lubbock, Tex., late-summer, 1966.
